Mr. Dan Glickman
Secretary of Agriculture
14th Street/ Independence Ave. S.W.
Washington, D.C. 20250

Dear Mr. Glickman,

You're right! People are concerned about genetically- altered food. One of the concerns would be its nutritional value. How can we ever know its value if it is not labeled?

I know our family and friends are buying organic foods as we can't trust the effects of pesticides sprayed on crops.

It would be very helpful to have genetically-altered foods labeled as our organic foods are. Any chance?

Sincerely,

A handwritten signature in black ink that reads "Al Kaufman". The signature is written in a cursive, flowing style.

Albert Kaufman
